Reason for Decision

As advised last week, the above ticket could not be registered where the verification check resulted in a successfully registered ticket.

A ticket application to register 'Stand4Palestine' was received from Umme-Haanee Saib on Monday 26 August. An application bearing a similar ticket name, 'Stand for Palestine' was subsequently received from James Gallagher on Tuesday 27 August 2024.

The ticket to be assessed first is one received in order of earliest date and time received, which was the 'Stand4Palestine' ticket. As the 'Stand4Palestine' meets the requirements under Clause 14, the 'Students for Palestine' ticket is non-compliant with Clause 14.4(f), that is a ticket cannot '*be the same as, or similar to, any other ticket name*'.
